S SQUARE ASSOCIATES PVT. LTD

Total Security and House Keeping Solutions

Who We Are

Based in Bhubaneswar, S Square Associates Private Limited is a premier provider of comprehensive security and facility management services. We are committed to safeguarding your assets, personnel and materials through rigorous security measures and a culture of absolute reliability.

Our goal is to be the preferred security partner across Odisha, mitigating risks like theft, sabotage, and fire, while simultaneously creating valuable employment opportunities for local youth.

The S2APL Advantage: Guided by Veterans

What sets us apart is our leadership. Our professionally managed company operates under the guidance and advisory of highly experienced, retired Army and police personnel, alongside veteran chief security officers from the corporate sector. We prioritize recruiting physically strong, qualified candidates and placing the right person at the right place.

Rigorous Training Standards

We don't just deploy manpower; we deploy highly trained professionals. Our experienced trainers provide both physical and classroom instruction covering:

- Complete awareness of modern security systems and emergency protocols.
- Tackling conflicts, effective mob control, and handling sudden agitational situations.
- Lethal checking systems to strictly control bad elements.
- Protection protocols for senior and middle-level executives.
- Regular drills, job rotation, and continuous briefing.

Our Core Services

- **Watch Guard & Security Services:** Vigilant, round-the-clock protection.
- **Complete Facility Management:** Professional cleaning, sanitation, and housekeeping services.

S SQUARE ASSOCIATES PVT. LTD

Total Security and House Keeping Solutions

Specialized Security Personnel

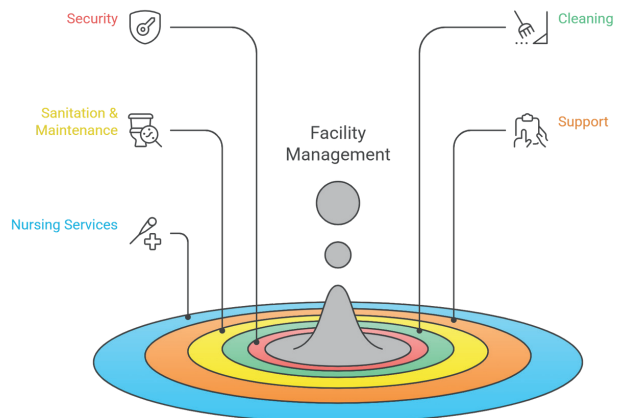

Whether you operate an industrial plant, a banking institution, a government organization, a hospital, or a shopping mall, we provide specialized personnel tailored to your exact needs:

- Skilled Security Guards & Supervisors
- Armed Guards / Gunmen
- Bouncers & Event Security
- Firemen & Safety Inspectors
- Lady Security Personnel
- Security Officers & Assistant Security Officers

360-Degree Security Operations

Our security protocols extend far beyond simple guarding. We implement and manage comprehensive security frameworks, including:

- **Access & Perimeter Control:** Managing men and material gate controls, access control systems, and regulating internal plant vehicle movement.
- **Surveillance & Detection:** 24/7 CCTV surveillance monitoring, intrusion detection systems, and alarm auditing.
- **Risk & Intelligence Management:** Conducting background investigations, security surveys, vulnerability analysis, and generating confidential intelligence reports.
- **Community Integration:** Active liaisoning with local police stations to ensure rapid response and localized support.

100% Statutory Compliance

When you partner with S2APL, you are partnering with a fully compliant, legally transparent organization registered under the Company's Act 1958. We strictly adhere to all state and national government regulations:

- **CIN:** U783000D2024PTC044852
- **GSTN:** 21ABMCS6069F1Z7
- **ESIC:** 44000457830000999
- **EPFC:** ORBBS3191919000
- **PSARA License:** PSA/L/3/OR/2026/MAR/3/662
- **PAN:** ABMCS6069F
- **MSME Regn:** UDYAM-OD-19-0100966
- **Establishment:** KHU/OSCE/2024/007749
